

Snug Mat200Watt/m²

Description

The Snug Mat is a triple-insulated Class 2 heating mat. The twin wire, single-connection heating cable is woven on to a fibre glass mesh that holds the heating cable together to simplify installation. Manufactured in a wide range of ready-made sizes and with the supply lead wire at one end only. This design offers maximum flexibility to the installer; is easy to plan and lay; and is suitable for large or small areas.

- Available from 1 to 15m²
- Available in 230V
- Double insulated
- Designed to be laid on concrete, marine ply or construction boards with tiles, stone
- Ideal for comfort heating in kitchens, bathrooms and wet rooms
- 4m cold tail
- Designed to be laid under ceramic tiles, slate, terracotta, marble, stone and limestone
