

## Snug Cable 10Watt/m

### Description

The Snug Cable is a triple-insulated Class 2 heating mat. The Snug Cable is designed for awkward areas where a mat cannot be used. Manufactured in a wide range of ready-made sizes and with the supply lead wire at one end only. It is supplied on a roll for quick and easy installation. This design offers maximum flexibility to the installer; is easy to plan and lay; and is suitable for large or small areas.

- Available from 10m to 150m
- Available in 230V
- Triple insulated
- Designed to be laid on concrete, marine ply or construction boards with tiles and stone
- Ideal for comfort heating in kitchens, bathrooms and wet rooms
- 4m cold tail
